

Clark-Reliance Welcomes Pat Babka As President and CEO

March 11, 2022 – Strongsville, OH – Clark-Reliance is pleased to announce the appointment of Pat Babka to the position of President and CEO. Pat joins the company from Emerson, where he was the Vice President and General Manager of the Isolation Valve Business Unit. Pat brings 25 years of experience leading industrial technology businesses in related end markets.

“I am especially grateful to all of the employees of Clark-Reliance who have given me such a warm welcome,” said Pat. “I look forward working with you to continue to grow the business and create value for our customers, employees, and our shareholders.

Lastly, thanks as well to the entire Radial team for giving me this tremendous opportunity. I am grateful for your trust in me and your continued support.”

About Clark-Reliance:

Clark-Reliance provides customer solutions in over 120 countries in the power generation, refining, gas processing and chemical industries. Key acquisitions over the last few decades have solidified Clark-Reliance as an industry leader in the design, manufacture and distribution of level indication & control and filtration & separation products and services. More information on Clark-Reliance is available at www.clarkreliance.com.

About Radial:

Radial is a private equity firm focused on investing in middle-market businesses serving consumer and industrial markets. Radial invests in businesses where the firm can apply relevant prior experience and a network of industry relationships to support its management teams. More information about Radial is available at www.radialequity.com.
